Sir,

I have the honor to state that the Holyars of Devanagere Holagere, who lost their houses and who have started new buildings in Jalapuri Extension pray for a loan on the security of the new houses under construction. They had very small houses and the compensation given to each of them was not enough to meet the cost of new buildings, which they have commenced on a somewhat enlarged scale. The Senior Councillor inspected these houses, when they all represented in a body that without the help of a loan on the security of their houses, they could not be able to complete them. This is the case with most of them. There will be no difficulty in recovering the loan in small instalments, should the Government be pleased to sanction this prayer. The amount they want, is not large and it may be recovered

The President, Mysore city Municipality, ~~in the letter read above~~ now, reports that on the complaint
